

TECHNICAL WRITER

The consultancy company INSAFE is specialized in safety of machinery. To develop our technical department, we are looking for a technical writer. The candidate will be hired by SLM Srl, a company of the INSAFE group, based in Alzate Brianza (CO) - ITALY.

Job description

The ideal candidate will be responsible for creating and writing various types of user documentation, including how-to guides, manuals, references, or instructions. This candidate should have strong communication skills which enable them to explain complicated concepts in a simple manner. This individual will also meet with customer representatives frequently in order to understand required content.

Responsibilities

- Explain technical ideas in simple language.
- Meet with customer representatives to establish technical specifications.
- Create user documentation for a variety of machineries.

Qualifications

- Technical degree (secondary school).
- Ability to understand technical information.
- Experience in machinery (appreciate).
